(a) The total strength of officers has really increased by one only as a result of the creation of a temporary post in the B. M. S. Class I in connection with the Central Hospital, Shikarpur; the further difference of three between the number of officers shown for the year 1934-35 and that for the year 1935-36 is due to change in classification, the reduction being made in the strength of officers under "Mofussil Hospitals and Dispensaries".

*There has not been any real change in the total strength of officers at the J. J., Bai Motlibai, and the Ophthalmic Hospitals but the provision on account of the pay of the Superintendents of the three Hospitals which used to be shown wholly under the Grant Medical College in the past has now been shown partly under the Hospitals concerned and partly under the Grant Medical College.
